

We are excited to welcome our new Aesthetician, Elaine, to our Dermatology Specialists team! Elaine is now accepting appointments at our Boulder location, Monday-Friday.

Elaine began her journey originally as a Medical

Assistant in dermatology over 10 years ago and has been an esthetician since 2011. She has always enjoyed skin care and all aspects of helping people. "I love aesthetics because I love helping others whether it's with cosmetic skin care or medical dermatology. In my spare time I also love taking portraits of others so you might say I have a love of making people feel beautiful."

Schedule your next Aesthetician appointment with Elaine by calling one of our Patient Care Coordinators at 303-442-6647 or by speaking with our Boulder Office Manager, Annemarie at the front desk.
